-  **2 Just begin.** There will always be a more convenient time to invite others over, but once you start, you won't stop!
-  **3 Stick to what you're comfortable with.** You don't have to serve something new every time. Go with what you know!
-  **4 Have your "go-to" dishes** whether they're homemade or store-bought.
-  **5 Show love and passion.** Make hospitality your main dish! Help your guests feel welcomed and like they're part of your family.
